Give your students the English edge with Pearson MePro

MePro is a feedback-based English language improvement tool that enhance your chances of employability & career development.

Listening | Speaking | Reading | Writing | Grammar | Vocabulary

Engaging content

Role-plays and simulations that encourage practical learning

Adaptive learning

Every learner is automatically mapped to their current English proficiency level

Measurable outcomes

Learning outcomes measured against Global scale of English & CEFR levels

Illustrated themes

Story-telling approach targeting visual learners and readers

Badges connecting learners to real jobs

Certificate and recognised digital badges that help learners connect to real-world jobs

Improves language proficiency and employability

With industry- specific learning outcomes from GSE as part of content across MePro levels
