What to expect on test day

PTE Academic is taken at a secure test center, where test takers will need to check-in with the test administrator, show ID and sit their test in a secure computer room.

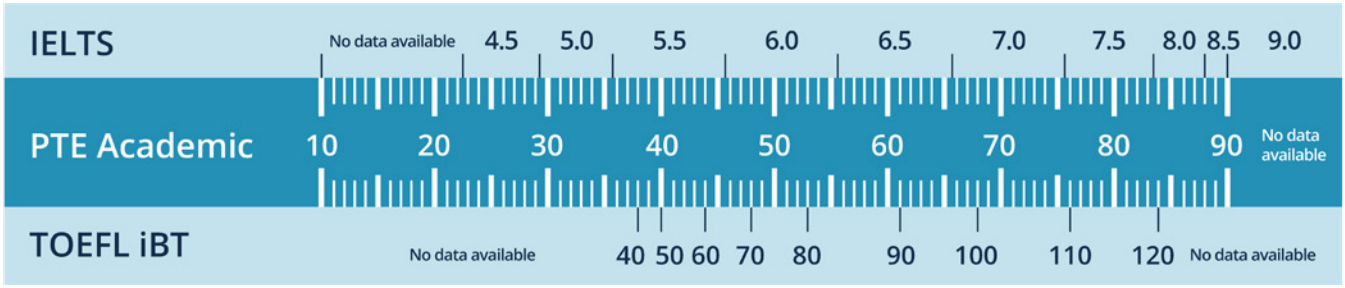
On check-in the test administrator will provide the test taker with a copy of the test center rules to read, request copies of ID, take a digital photograph and signature, and scan the test taker's palm.

The test taker will be assigned a locker to check-in their belongings before sitting the test in the secure room.

The test administrator monitors test takers throughout the test.

How do PTE Academic scores compare to other English tests?

PTE Academic scores range between 10–90 points and align with IELTS and TOEFL iBT as follows:



Note: This score alignment is recommended by PTE Academic. Test takers will need to check their preferred institution's website for their PTE Academic score requirements.

Sharing PTE Academic Results

Once a test has been completed, results are typically available within 48 hours. After receiving a **Score Report**, test takers can share their scores with as many institutions as they like, free of charge. Test takers can provide their results on a chosen institution's application form or share their results via their myPTE account. Institutions will **not** accept paper or PDF copies of Score Reports.

The test taker will receive an email notifying them once their scores are available; after they receive this, they follow the instructions below:

1. Test takers can login to their account by visiting mypte.pearsonpte.com
2. Go to **'Activity'** and find the test results to be shared with the score test takers want to send
3. Go to click **'Send Scores'**
4. Type the name of the chosen institution in the field marked **'Institution/Organization/ Department/ School'** and click **'Search'**
5. Click on **'Select Programmes'** and click on **'Next'**
6. Test takers can review their details and then scroll down the page and click **'Submit Order'** to confirm
