Master English and
empower your students
with an unparalleled edge

Pearson MePro provides learner-centric, professional & academic theme-based courseware that helps student become proficient in English language.

The Advantage with Pearson MePro

Improves language proficiency and employability with learning outcomes from GSE

Engaging content like roleplays and simulations that encourage practical learning

AI-enabled speaking tasks providing instant feedback

Adaptive learning with learners automatically mapped to their current English proficiency level

More than 300+ hours of dedicated learning

Illustrated themes for storytelling approach targeting visual learners and readers

The platform includes 800+ skill-based tasks

Certificate and Credly badges* connect learners to real jobs

*Credly badges are available from MePro level 7 onwards
