About Pearson

Pearson is the world's leading learning company, with expertise in educational courseware, assessment and range of teaching and learning services powered by technology. Our mission is to help people make progress through access to better learning. We believe that learning opens up opportunities, creating fulfilling careers and better lives. We work closely with teachers, learners, researchers, authors, thought leaders, and local experts to put education in the hands of more people around the world, in more inspiring ways. Pearson caters to learners of all ages: from pre-school and high school, to professional certification. Our curriculum materials, multimedia learning tools and testing programmes help educate more than 130 million students across the world.

Testimonials

Magic Strokes

A good step towards skill development among students...

Bindia Rajpal

Air Force School, Subroto Park, New Delhi

e-world

In last 15 years of my career as a Computer Teacher I came across many books. But in many regard I found it is better.

Chandan Kumar Chanchal

RVS Academy, Jamshedpur, Jharkhand

e-world

This book is no doubt a good book for ICSE curriculum. It was really fun to read all the chapters because the explanation is so good and the language is very lucid. It will really help the children at this age to boost up their knowledge to the optimum knowledge to the optimum.

Mithu Roy

Assessment Primary Teacher
Good Shepherd School, Bagdogra, West Bengal

New Aster Advanced

is learner-friendly and grabs the attention of the pupils. Rhyming words and phonetics will enable the students to pronounce correctly. The skill of framing rhymes will be developed among the students. Activities and group tasks will enhance the creativity among the learners.

Mitali Roy Choudhury

Principal, RVS Academy
Jamshedpur

Magic Strokes

Reasonably poised between ICSE and CBSE with the inherent flexibility of lending a holistic knowledge of English to the students.

Sandip Guha Roy

St Xavier's School, Durgapur

New Aster Advanced

The textbook is unique and my compliments to the author for the same. The topics covered are an amalgamation of both the traditional and modern write-ups and authors. Collection of poems are well selected as we, in ICSE school, have a practice to choose such poems for our recitation.

Sanjay Kumar Mishra

Rajkumar College, Raipur

MyWatchtower

The series ICSE MyWatchtower EVS 1-2 and SST 3-5 is very well written and beautifully illustrated. It strictly conforms to the prescribed syllabus and has incorporated various useful pedagogical elements. The language is simple and child-friendly. The content is also age appropriate. The illustrations are attractive and relevant. Overall, it is a very good series.

Anuradha Mukherjee,

Bombay Scottish School, Mumbai

"Travelling with MATHS ACE is easy and good. It gives creative and Aesthetic development for the students. It is also concerned with encouraging the child to be confident. The features of Maths Ace such as language, Warm up, Activity based approach, Review Time, HOTS and PSA, Mental Maths are really helpful for the students and teachers and parents also.

Sahayasarubarani A.

Maths Teacher,
AVPS-Palladam, Coimbatore,

New Longman Vistas Social Sciences

(Grades 1to8) is a learner-centered series. In each chapter, lifeskills related activities are given which help in honing the different skill set of the learners. Learning objectives given in the beginning of each chapter enable the facilitator to know what they have to teach and give an idea to the learners what they will learn. The books encompass all the NCF components.

Neetu Gurung

HOD, Brilliant School, Chhattisgarh

"The 'Nurture' series of Pearson for the Pre-Primary classes has come up with fun and activity-based books which not only caters to the all-round development of the child but also helps in incorporating empathy, values & environment consciousness to make every child a global citizen !"

Anita Mishra

New Images Next is age-appropriate and deals with contemporary subjects making it interesting for learners. The lessons have a freshness.

Seema Sinha
Cambridge School, Indirapuram

The Nurture course is the innovative research which indicates that children learn best when they can relate things in the book to their real-world experiences. There is a logical connection in the themes and concepts.

Ms. Tabassum Saqlain,
Headmistress, Al-Barkaat Public School, Aligarh

इस पुस्तक में व्याकरण के उपविषयों को बहुत सोच-विचारकर बड़े आकर्षक और रुचिकर ढंग से प्रस्तुत किया गया है। विषय के प्रस्तुतीकरण की दृष्टि से पुस्तक में कोई कमी नहीं है। पुस्तक में छात्रों के अभिव्यक्ति कौशल तथा ग्रहणशीलता की परख हेतु जो अभ्यास प्रश्न दिए गए हैं, वे पर्याप्त मात्रा में हैं। सहायक गतिविधियाँ बड़ी रोचक हैं जिनके कारण इस पुस्तक में दिए गए व्याकरण के सभी उपविषयों का प्रस्तुतीकरण प्रभावशाली बन पड़ा है। ये अवश्य ही अध्यापन में सहायक होंगी।
रेनू शर्मा
(वरिष्ठ अध्यापिका, हिंदू विद्या पीठ, हरियाणा)

The approach followed to teach grammar in Cornerstone is good. Comics offer a break from monotony and the new layout is extremely user-friendly.

Sushmita Ganguly,
BSS School, Kolkata

मेरा विश्वास है कि 'रचनात्मक व्याकरण' पुस्तक की यह शृंखला अपने उद्देश्य को पूर्ण करने में अवश्य ही सफल होगी। इस पुस्तक में व्याकरण के सभी उपविषयों को कक्षा के स्तर के अनुरूप समाहित किया है। चयन की गई विषयवस्तु बड़े ही रुचिकर ढंग से प्रस्तुत की गई है। इस पाठ्यसामग्री को बच्चे सरलता और सहजता से ग्रहण कर सकेंगे।

बिजेंद्र प्रसाद
(वरिष्ठ अध्यापक, सेंट जेवियर स्कूल, दुर्गापुरा)

Universal Science

I found this book quite good. All the topics are appropriate. Lots of pictures have been added to attract a child. These pictures are realistic and grade appropriate. Even the language is quite good. I like the layout and the format of exercises. There are adequate number of questions covering all the topics. I like the pedagogical elements relevant and interesting. The idea of giving a chapter in a comic format is innovative and child-friendly.

Pratika Jain
The Heritage School, Dehradun

MyWatchtower
"The EVS series class 1 to 5 has been written with a lot of care. The language has been kept student friendly. Terminology and concepts have been introduced and explained with very suitable examples. The series is gender sensitive and difficult topics like self security, bad touch has been handled brilliantly. The content is faithful to the scope and syllabus of the CISCE."

Baruna Roychoudhury,
La Martiniere for Girls, Kolkata

NURTURE

A Programme for *Early Years*

**For grades Nursery, LKG & UKG
(CBSE/ICSE/STATE BOARDS)**

NURTURE – A Programme for Early Years is an early childhood education programme. Based on interactive, play way and activity-based approach to learning, the programme focuses on developing and enhancing skill sets at the pre-primary grades. The activities suggested in the books have been carefully curated, designed and graded keeping in mind the age, interest level and the learning ability of the target audience.

Course components

The entire programme includes bespoke features for learners and instructors:

For the learners: Communication, Language and Literacy (Coursebooks A and B, printed notebooks for practice and application), Numeracy (Coursebook, printed notebooks for practice and application); Understanding Our World (Coursebooks A and B), flash cards, bonus stickers

For the instructors: Online Teacher Manual (daily planners, assessment ideas/manual, exemplar letters—to be sent to parents—curriculum guidance—Personal, Social and Emotional Development [PSED] ideas—circle time—homework and extra craft—ideas for the activity room); Digital support; Worksheet Bank

About the Author

An educator with over 30 years of hands-on experience, Kaadambari Muttoo has been the Director of prominent educational consultancies such as GEMS Education, Learn Today of the India Today group and the Shri Ram Education Trust, where her work centred on establishing K-12 schools and developing the Early Years and Primary curricula for the schools in her care.

Highlights

- 21st century skills based exercises
- Rhymes to support the eurhythmics approach to ensure gross motor development and creative expression
- Theme-based curriculum
- Stories based on suggested themes relating to real-life situations
- Accelerated Reading Programme through phonics and whole language

Arch for Listening and Speaking
Apex for Reading and Vocabulary
Ascent for Grammar and Writing

Digital

- A blended learning solution that combines a pedagogically sound course with innovative teaching and learning resources
- Enhanced Language Lab for teachers
- ActiveApp for students provides resources for them to practise and revise the classroom lessons.

About the Authors

Dr Vasanthi Vasudev has 35 years of multi-dimensional experience in K-12 education which began as a teacher of English. Formerly Principal of Sir Sivaswami Kalalaya Senior Secondary School, Chennai, and Co-Founder and Academic Director of APL Global School, Chennai, Vasanthi is the Founder Director of Osmosys Learning Products and Services, an educational consultancy firm. As a specialist in modern psycho-pedagogies, Vasanthi has set up schools and trained teachers across the country. She is also the author of a successful ELT series *New Images*.

Key Pedagogical Features

Experience is the first constructivist step. It includes three sub-steps: Vision, Imagine and Experience. This section sets the context for the chapter.

Observe is the second constructivist step. It contains text supported by colourful visuals.

Scaffolding has been used as a tool to teach skills. The course utilises one skill to scaffold the other.

Express is the third constructivist step in which the learners, after completing the Observe step, are expected to do activities to enhance their learning.

Integrate is the last step in constructivism which contains TOLL (Transfer of Language Learning) activities. This section is aimed at consolidation of all the skills learnt in the chapter.

Observe and Express is the overlap between the two constructivist steps where multi-sensorial inputs are given to elicit multi-sensorial responses, providing ample scope for satisfying the learning style and preferences of all learners.

NEW IMAGES NEXT

English
For Classes 1 to 8
(CBSE/STATE BOARDS)

New Images Next is the 10th Anniversary edition of the most popular comprehensive ELT course from Pearson. Following the communicative approach, it aims to prepare learners to be successful in a complex, interconnected and changing world. This course has been designed to train the learners to have control and command over the language in any given situation. The course adheres to the National Curriculum Framework 2005, with special focus on learning outcomes.

New Images Next promotes whole-brain pedagogy with 8 steps—Connect, Reflect, Imagine, Read, Consolidate, Create, Extend and Relate to effectively connect the Right Brain and the Left Brain for Whole-brain Development. This ultimately helps the learner develop the four language skills—listening, speaking, reading and writing—along with vocabulary and grammar. This innovative course keeps the student at the centre of learning and encourages teacher-student interaction for collaborative and experiential learning.

As a specialist in modern psycho-pedagogies, Vasanthi has set up schools and trained teachers across the country.

Brinda Ramesh, a former senior lecturer with the National Council for Educational Research and Training (NCERT), has 14 years of experience in teacher training and content development and eight years in teaching English. Currently, she lives in the beautiful hill town of Ranikhet and teaches English on a voluntary basis to local children and young people.

NEW FEATURES

- Before you Read,
- Fun With Phonics,
- Punctuation Marks,
- Word Calculator,
- Brain-based projects,
- Super-brain Poster,
- 10-best Factoids

Key Pedagogical Features

Connect engages the students emotionally with an experience related to the lesson and helps them to 'connect' to the text they are about to read.

Relate develops project skills in various multidisciplinary and life-centric contexts.

Reflect helps to activate the existing knowledge that the student possesses.

Extend develops imaginative thinking, formal writing and extrapolative thinking skills.

Imagine stimulates creative thinking, imagination, art, intuition and more.

Read has a well-balanced selection of prose, poetry, drama and comics to improve reading skills and provide a global perspective.

Consolidate tests for factual recall, inferential, evaluative skills through structured comprehension exercises.

Create fosters enhanced vocabulary through student-friendly activities.

FRAMES

Your Window to Learning English

English
For Classes 1 to 8
(CBSE)

A comprehensive blended language course, developed in collaboration with some of the finest practising English teachers of the country, it provides a brand new framework for engaging the learners in exciting and challenging ways to acquire age-appropriate language skills. It aims to cater to the needs of different kinds of learners, developing their skills to navigate real-life situations and to ensure that they are future-ready. The series includes the latest learning indicators prescribed by NCERT to help learners achieve proficiency in language skills.

Course Components

Print

Coursebook, Skill Book, Literature Reader, Comprehensive Teacher's Resource Book

Digital

A blended learning solution that combines a pedagogically sound course with innovative teaching and learning resources – seamlessly integrating technology with the textbooks to ensure effective learning in a learner-friendly classroom environment. ActiveApp for students provides resources for them to practise and revise the classroom lessons.

About the Authors

- **Santhini Govindan** (award-winning writer of children's literature)
- **Rohini Jyoti** (Bluebells School International, New Delhi)
- **Neelam Sanwalka** (ELT expert and teacher trainer)
- **Julie Varghese** (St Columba's School, New Delhi)
- **Lesley Young** (City Montessori School, Lucknow)

Key Pedagogical Features

All learning outcomes explained at the beginning of the book to help steer teaching towards the desired objectives.

Self-assessment and proficiency statements for learners to ensure that they are aware of their skill levels at each stage.

Includes latest **learning indicators** prescribed by the NCERT to help learners achieve the skills of listening and speaking, reading, writing, grammar and vocabulary .

Skill Books for extra practice and **Literature Readers** for reading for pleasure.

Interesting text selections to enrich the reading experience of learners and also inculcate an appreciation for good literature.

The series aims at developing essential language skills and making learners **future-ready**.

A unique **blended learning solution** ActiveTeach – provides additional resources for both teachers and learners.

Lighthouse

A Comprehensive English Series

English
For Classes 1 to 8
(ICSE)

The Lighthouse Series, designed on the basis of the new ICSE syllabus, is a set of coursebooks for grades 1 to 8. The series guides the learner into learning language through the study of literature. Each coursebook takes a progressive approach to learning, with the chapters broken up into three levels of learning: elementary, intermediate, and advanced. The series features a set of challenging and exciting texts from a wide range of literary genres, periods, and forms, followed by a range of activities and exercises that enable learning in the areas of comprehension, vocabulary, listening and speaking, grammar usage, and writing. The coursebooks are supplemented by practice books that provide sufficient material to reinforce the learning from the coursebooks.

Course components

Print

Coursebook, Practice book, Comprehensive Teacher's Resource Book

Digital

A blended learning solution that combines a pedagogically sound course with innovative teaching and learning resources and seamlessly integrates technology with each coursebook to ensure effective learning. ActiveApp for students provide resources for them to practise and revise concepts learnt in the classroom.

About the Consultant Editors

Dr. Meenakshi Malhotra brings to the series her extensive experience and enriching world view. She is Associate Professor, Department of English, at Hansraj College, University of Delhi. Gender studies and curriculum development are areas of special interest for her.

Dr. N. P. Ashley is Assistant Professor of English at St. Stephen's College, Delhi. An educationist who has consulted with schools in India and the UAE, he is deeply interested in the social content of education and theatre as a domain of pedagogy in the learning and teaching of English. Ashley is a socio-political commentator and translator, with international academic projects to his credit.

Each coursebook has been written by currently practising teachers based in schools in India and abroad.

Key Pedagogical Features

An inclusive and diverse collection of literature from India and around the world - a variety of genres and forms, new and original content alongside literary classics.

Texts that create awareness about **contemporary social issues** and generate discussion in the classroom.

Mapped to **upgraded and comprehensive curricula**.

Emphasis on development of **Listening and Speaking Skills** with defined outcomes, with enhanced digital support.

Three levels of comprehension exercises help students to recall information, reflect on the text and develop their skills of literary appreciation and analysis.

Special section in each lesson to expose students to more textual forms from everyday life, linking language usage to real-life.

रचनात्मक व्याकरण

व्याकरण

कक्षा 1 से 8

(विभिन्न शैक्षिक बोर्डों के लिए)

पुस्तक परिचय :

रचनात्मक व्याकरण की इस पुस्तक शृंखला में व्याकरण को आनंददायक अनुभवों, उदाहरणों और स्वयं शिक्षण से जोड़ा गया है। इसमें विद्यार्थियों की आयु, कक्षा-स्तर को निश्चित रूप से ध्यान में रखते हुए सामग्री का स्तरीकरण किया गया है। व्याकरणिक नियमों को सहज व सुगम बनाने के लिए रोचक मनोवैज्ञानिक प्रविधियों का उपयोग भी किया गया है। इन पुस्तकों का नया, मौलिक तथा उपयोगी पहलू है, रचना। शिक्षण के विविध रूपों (मौखिक और लिखित रचना) से परिचित कराते हुए रचनात्मक दक्षताएँ प्राप्त करने के अनेक उपकरण जुटाए गए हैं। इस तरह विद्यार्थी हिंदी भाषा में अपने विचारों, भावनाओं को विविध रूपों में अभिव्यक्त करने का सामर्थ्य विकसित कर सकेंगे। शिक्षण के क्षेत्र में हो रहे नवाचारों को तथा अनुभवी शिक्षकों के मूल्यवान सुझावों के अनुरूप विषयवस्तु को इस संस्करण में प्रस्तुत किया गया है, जिससे इसकी गुणवत्ता प्रखर होगी और पुस्तक छात्रों के लिए अधिक उपयोगी सिद्ध हो सकेगी।

लेखक परिचय :

डॉ. सुरेश पंत लगभग आधी सदी से अधिक समय तक हिंदी क्षेत्र में प्रतिष्ठित व सम्मानित नाम है। भाषाविज्ञान, शोध-सामग्री निर्माण कार्य से भी जुड़े रहे हैं। अंतर्राष्ट्रीय तथा राष्ट्रीय स्तर के अनेक सरकारी तथा गैर-सरकारी संस्थानों में हिंदी विशेषज्ञ, परामर्शदाता के रूप में ख्याति अर्जित की है। राष्ट्रीय संस्थानों में हिंदी विशेषज्ञ मुक्त लेखन, राष्ट्रीय पत्रों में भाषा और व्याकरण स्तर- लेखक, ब्लॉगर, भाषाविज्ञान, भाषाशिक्षण, शैक्षिक व्याकरण पर अनेक पुस्तकों का प्रकाशित होना आपकी महत्त्वपूर्ण उपलब्धियाँ हैं। हिंदी की कर्मठ सेवा के लिए साहित्यकला परिषद, हिंदी अकादमी, संस्कृत अकादमी, दक्षिण भारत हिंदी प्रचार सभा आदि के द्वारा सम्मानित किए गए हैं।

हिमानी जोशी की शैक्षणिक योग्यता एम.ए., एम.एड. है। शिक्षण के क्षेत्र में लगभग 20 वर्षों का अनुभव प्राप्त है। वर्तमान में अंतर्राष्ट्रीय स्तर के विद्यालय में हिंदी शिक्षक के रूप में कार्यरत हैं।

विशिष्टताएँ :

- राष्ट्रीय शिक्षा नीति, 2019 के भाषा शिक्षण संबंधी व्यापक सुझावों का अनुसरण
- आई.सी.एस.ई., केंद्रीय मा. शि. बोर्ड तथा विभिन्न राज्य बोर्डों के पाठ्यक्रम के अनुरूप

Key Pedagogical Features

MYWATCHTOWER

For Classes 1&2 EVS
and 3 to 5 Social Studies
(ICSE)

MyWatchtower Environmental Studies for Grades 1 and 2 and Social Studies for Grades 3 to 5 is a well-graded integrated series that strictly adheres to the latest CISCE curriculum. The series caters to the new-age learners via in-class digital platform that is a blended learning solution of print, digital and assessment as it is the need of the hour. The series is a fresh breath of air as it focuses on innovative learner-centric pedagogical elements at both print and digital level. With 'learning without burden' as the philosophy driving the series, it is an amalgamation of the good old printed books with a distinct interdisciplinary approach and digital assets and widgets that makes learning interactive and fun.

The series is designed to inspire comprehensive and all-round development to ensure the practical application of knowledge gained in the classroom. It enables learners to learn in their own way, at their own pace and helps teachers to facilitate better teaching-learning processes inside the classroom to counter the challenging present-day educational needs.

About the Consultant Editors

Nupur Bhattacharya has over two decades of teaching experience in the subjects of Social Studies, Environmental Studies and English across various schools following both the CISCE as well as CBSE curriculums for classes 1 to 9 such as South City International and Garden High School, Kolkata to BD Memorial Institute, DPS Ruby Park, Kolkata; NIMS, Dubai (2018). She is an active teacher's trainer.

Sujata Bhattacharyya has over two decades of teaching experience in the subjects of Social Studies for various grades across schools following CISCE curriculum such as GD Birla Centre of Education, Kolkata, and has been the Head of Studies in Ambassador School, Dubai (2012–2016).

Soma Nandy has over two decades of teaching experience in the subjects of Social Studies, especially Geography, across both CISCE and CBSE curriculums in schools such as MP Birla HS School, Loreto House, Don Bosco School Park Circus and Birla High School, Kolkata."

Key Pedagogical Features

Gear Up builds on the pre-knowledge of learners.

Knowledge Trek takes learning beyond the book and inspires learners to know more.

Milestones delineates major topics in a chapter and the learning outcomes of a chapter around which teachers can frame assessments.

Connect the Dots enables interdisciplinary learning and establishes connections with other subjects to facilitate learning in a real-life context.

Let Us Explore is critical and higher order thinking questions that develop learners' research and extra-reading abilities.

Treasure Box are infographics that give important points for quick recapitulation.

Picture Study develops the visual understanding of learners.

I do, I learn/We do, We learn are individual and group activities that aim to nurture creative and interpersonal skills among learners.

NEW

Derek O'Brien

KNOW AND GROW WITH DEREK

Fourth Edition

General Studies
For Classes 1 to 8
(ALL BOARDS)

New Know and Grow with Derek, 4e series for Pan India Grades 1–8 is a culmination of one of Asia's best-known quiz masters, Derek O'Brien's methodologies for creating knowledgeable, responsible and better citizens of the society. The revised edition of the series aims at addressing the four vital skills for success in a learner's life—Personality Development, Life Skills, General Knowledge and Creative and Thinking Skills through improved content and new digital platform. The series serves a dual purpose of being a self-guide to the learners and can equally be teacher-driven.

About The Authors

As rightly put by the newspaper, Oman Daily, "There is a bright child in every child and Derek knows exactly how to bring it out." Derek O' Brien is Asia's one of the best-known quiz masters and his way of emphasizing on the overall development, life skills and creativity of a child, along with general knowledge is impeccable.

Key Pedagogical Features

Grow with Derek enables learners to use the information to tackle challenges to get ahead in life by inculcating twenty-first century skills.

The thematic division of units, pages on facts, activities, special pages and quizzes give an edge to learners.

Know with Derek provides useful and interesting everyday snippets of information.

Activity time and lab exercises in every chapter for practical, hands-on experience.

Child safety pages have been added at the end of each book as per the guidelines of Protection of Children from Sexual Offences Act (POCSO), 2012.

Test papers at regular intervals help teachers evaluate the performance of the learners.

Saga

Social Studies

Social Studies
For Classes 1 to 5
(CBSE/STATE BOARDS)

With 'learning without burden' as the philosophy driving the series, **Saga for classes 1 to 5**, is a unique amalgamation of the traditional teaching method of storytelling and a modern approach to content. The series focuses on experiential and activity-based learning and gives learner the opportunity to learn better at their own pace, in their own way. It aims to make learners proficient in the domain of social studies by nurturing multiple skills, values and perspectives that guide them to be sensible individuals and citizens of society. The content is aligned to the National Curriculum Framework.

Course Components

Print

Coursebook, Comprehensive Teacher's Resource Book

Digital

Saga: Social Studies series for classes 1 to 5 is an integrated social science series with many attractive digital features to support seamless learning. The digital content is absolutely aligned to the content of the series. The integrated technology together with the course books will ensure effective teaching-learning in a learner-friendly classroom environment. The ActiveApp for students provides resources for them to practise and revise the classroom lessons.

About the Author

Nita Ganguly has been an educator and environmentalist for over 26 years and has won several National and State awards, including national winner of Rustam Irani Foundation's "Best Teachers Award for Excellence in Education" in 2004 and "Excellence in Teaching Award in Innovative Teaching Practices" in 2010.

Key Pedagogical Features

Knowing More provides interesting snippets of information that takes learning beyond the book.

Find Out consists of critical/higher order thinking questions that develop learner's research skills.

Assessment and Test Papers help learners in periodic assessment and prepare them for examination.

Activities give learners the opportunity of learning by doing while studying the concepts.

Exercises provide ample practice and have life skill-based/twenty-first century skill-based questions to hone every learner's individuality.

Talking Picture are application-based questions that develop the visual understanding of the learner.

Saga pages and **Posters** present some important topics in an interesting and engaging manner using stories, activities and learner-friendly formats.

Peer Review strengthens peer interaction and gives the opportunity to learn from each other.

e-world is an endeavour to prepare the future generation to meet the challenges of an ever-advancing society and a dynamically changing environment. The series aims to ensure that children are equipped with a repertoire of technical skills and a positive attitude to become responsible citizens in a globally competitive society. The content in this series has been planned and organised in a systematic manner as per the guidelines of the curriculum. It is ensured that learning is a joyful experience for all learners and they can understand not only what they learn, but also how this learning is relevant in their lives. The series uses interface of Windows 10 to explain the concepts. With the aim to provide a blended learning experience to the learners, the series is supplemented with Pearson's flagship digital content in the form of ActiveApp. ActiveApp is a web-based learning solution which provides amalgamation of traditional teaching approach with digital exposure giving experiential learning journey to students.

Maths Ace Prime

Revised
edition

Mathematics
Grades 1–8 (CBSE)

Maths Ace Prime is a series of eight books for grades 1 to 8. It is perfectly aligned to CBSE curriculum and other boards that follow the NCERT guidelines. The series also resonates with the guiding goals of the Education Policy 2019—Access, Equity, Quality, Affordability and Accountability. The pedagogical structure of the series has been designed to be appropriate and effective, based on learner's cognitive and socio-emotional development. The segments on **Intelligence Quotient**, **Emotional Quotient** and **Happiness Quotient** have been developed to achieve the foresaid goals. As suggested by the Education Policy, the series keeps the central control with the teacher, focused on the student and educational aims. The teachers have been equipped with enough tools to meet the learning needs of a diverse group of learners.

Course components

EXPANDED Universal Science

Sciences
For Classes 1-8, 9 & 10
(CBSE/STATE BOARDS)

Expanded Universal Science, is a qualitative and quantitative expansion of our flagship series of science books—Universal Science. The series will now also be available to learners of grades 9 and 10, in extension to the existing series of 1–8, that was first launched in 2012. The series has variable components, bundled according to the need of the learner of a particular grade. It includes practice book, relevant digital support and assessment. This extended series has a whole new set of activities carefully crafted by experts to keep the learner engaged and instill skill of inquiry. The series is learner centric and aims at helping learner achieve the intended learning outcomes. The series has a completely revamped set of questions in order to help students prepare better for the new examination pattern mandated by the CBSE.

Course components

Print

For classes 1-8: Coursebook and Comprehensive Teacher's Resource Book for 9 & 10-Separate Coursebooks and application books for Physics, Chemistry and Biology

Digital

A blended learning solution that will combine a pedagogically sound course with innovative teaching and learning resources, seamlessly integrating technology with the textbooks to ensure effective learning in a learner-friendly classroom environment. The teacher's version will have some more elements as compared to the student's version. It will include a student's ActiveApp and simulation for classroom practice.

Authors

All the authors are practicing academicians with decades of experience.

Primary: Natasha Mehta.

Middle: Anupama Bhandari, Anita Sood, Shelly Wadhwa and Madhabi Bose.

Secondary: Deepika Sachdev, Anupama Bhandari, Shelly Wadhwa and Meenal Verma.

Key Pedagogical Features

Stepping stones establishes a connect between what the learners know and what they will learn about in the chapter.

Run through helps in quick recapitulation of a topic covered.

Know Your Science stated in measurable terms to indicate to the learner about what they will be able to do at the end of the chapter.

Wonder box has some interesting facts related to the topic being discussed.

Track your progress is a quick self-assessment tool, helping the learner/teacher to decide if the topic needs to be visited again.

Remember & Get it Right to caution the learner against probable errors and emphasising on points that cannot be repeated in the main text.

Enunciation: New words are accompanied with their pronunciation at their first appearance.

Timeline is a list of the series of events chronologically that relates to the topic discussed, justifying the historical development of science.

e-world Computer Applications

Computer Science
For Class 9
(CBSE/STATE BOARDS)

The new entrant in Pearson's flagship computer series, e-world, is a book developed for course named "Computer Applications". It is created for students of grade 9, strictly as per the curriculum released by CBSE in 2018. Blended with rich pedagogy, concepts are explained using suitable screenshots, figures, diagrams and tables. The book provides necessary and required emphasis on hands-on and practical aspects to the subject with a variety of questions and chapter-end exercises. Performing various tasks are taught in a stepwise and systematic manner using Windows 7 and Microsoft Office 2010 tools. Programming languages such as Scratch and Python are discussed in grade 9 to ingest coding skills in learners right from the middle school level. The course book also comes with ActiveApp which is an amalgamation of traditional teaching approach with digital exposure giving an experiential learning journey to students.

Coursebook

About The Authors

Betty Azar is author of the *Azar Grammar Series*, now the *Azar-Hagen Grammar Series*. She studied European literature in college. She started her career teaching writing courses for first-year American college students.

Stacy Hagen is author/co-author of numerous textbooks in the areas of listening, grammar, writing, speaking, and pronunciation. In 2004, she became co-author of the Azar-Hagen grammar textbooks and has since worked full-time on the series. Prior to that, she was a classroom teacher for 20 years, and has also been an administrator and teachertrainer.

Key Pedagogical Features

Clear charts with examples and easy-to-understand explanations and minimal terminology.

Direct, in-depth grammar practice with a variety of exercise types and immediate application of grammar forms and meanings.

Mapped to the Global Scale of English

Comprehensive corpus-informed syllabus that reflects current usage and highlights the differences between written and spoken English in formal and informal contexts.

CBSE EXPERT

Science and Mathematics
Classes: 10
(CBSE)

Pearson CBSE Expert Series, Science and Mathematics, Class 10th, has been designed on the basis of latest 2019-2020 CBSE curriculum to enable faster learning. The core objective of the book is to provide effective revision via chapter overview and practice questions. All chapters are developed in-line with NCERT curriculum. To familiarize with examination pattern and trend, previous year's questions from past 5-7 years incorporated in coherent manner. Ample number of illustrative and solved practice questions provided in Self-Assessment Corner will expose students to the variety of questions asked in the examination. Master Test at the end of each chapter to have real-time examination experience. Solutions are provided with step-wise indication of marks as per CBSE Marking Scheme to help students strategize for attaining maximum marks.

The series provides a perfect blend of learning through theory and practice with a repository of questions in-line with CBSE examination pattern. The authors, with more than 35 years of teaching experience, have tailored the series to excel CBSE board examination.

LONGMAN

Dictionary

Tearing your hair out over idioms? Feel like you're always **in the dark**? Don't worry – you **can't go wrong** with the Longman Idioms Dictionary, an up-to-the-minute dictionary that will help you **stay ahead of the game**.

- over 6000 idioms from spoken and written English, such as **go postal**, **it's all gone pear-shaped**, and **be on the same page**.
- wide coverage of both American and British English
- clear definitions using only 2000 common words
- the unique *Idiom Activator*® helps you to choose the right idiom
- 'fun facts' about the origin of idioms and how and when to use them
- thousands of examples from the Longman Corpus Network

Notes

Ace JEE Main 2020

with Pearson's Complete Companions

FEATURES

- Coverage of key topics along with solved examples
- Chapter-wise Previous 18 years' AIEEE/JEE Main questions
- Fully-solved JEE Main 2019 question papers (April & January)
- Includes Free Online Tests based on JEE Main pattern

Boost your NEET Preparations

FEATURES

- Structured as per NCERT curriculum
- Assertion and Reason type questions for AIIMS preparation
- 3000+ MCQs with Previous Year questions included chapter-wise
- Includes Free Online Tests based on NEET pattern

Committed to Building Efficacious Products

Authorship and Brand Building

- Engaging with leading Learning Specialists
- Partnering with reputed schools and organisations
- Utilising pedagogical expertise in Teaching-Learning Methodologies

Pedagogical and Assessment Tools-

- Formulating the latest Teaching-Learning Pedagogies
- Developing Critical and Creative Thinking
- Integrating Assessment Tools in product architecture to measure and monitor learning

Digital Augmentation

- Introducing avant-garde digital resources for Learners and Instructors
- Seamlessly integrating technology with syllabi for effective learning
- Finding learner-friendly solutions

Product Fit

- Formulating new ways of engaging learners
- Focusing on actual classroom interactions and challenges
- Incorporating customer feedback into product design for a perfect fit
